

Comptroller
21 December 1979

Extract from the Staff Meeting Minutes of 21 December 1979:

25X1

Lipton reported the President's budget decision for 1981 results in a CIAP of [] or real growth [] Mr. Carlucci noted this does not agree with the RMS view re real growth and asked Lipton to forward a memorandum of explanation. Lipton went on to note the Contingency Reserve should not be considered in CIA total funding--that this is a separate account. Lipton said also we are asking for more people and explained how this may be achieved by converting a significant number of part-time positions to full-time positions. He said [] for DDO and additional people for NPIC will be requested in the 1982 budget. Lastly, Lipton said RMS is including []
[] Supplemental for 1980. The Reserve fund is currently at []
(Action: Comptroller) []
